

124

PRIMED

tra voi e le zanzare

**Ideale per portefinestre.**  
Caratterizzata da assenza del binario inferiore. La speciale guida superiore consente di prevedere l'apertura con più pannelli.

Suitable for doors. The main characteristic is the lack of a lower rail. Multiple Shutters model available, thanks to the special upper guide.

Ideal für Türen. Keine Bodenschiene. Die spezielle Obenschiene erlaubt die mehrfache Schiebeanlage.
